The Parish is currently without a fixed priest in situ. Father David Doran is temporary Parish Priest. Plans are difficult to make at present for the Parish.

Main business:

Fundraising: Resurrection of Fairs to raise funds is keenly sought. Ideas to draw people into the parish are needed. Possibility in future of school and parish having a link at a fair. Table top sales would work but restricted by carparking and shoppers. Suggestion of a census for car parking at church.

AGM: Next meeting we need to look at a date for an AGM for all involved in the Parish. This to include members of Parent and Toddler group.

Reaching out: Choir want to do a Christmas concert in church. Last year they sang in a residential home 'The Lakes'.

Website: George Pitt is to update along with Father David's support.

Pilgrimage: Harvington Hall trip Sunday in September. Possibility of open air Mass.

Any other business:

PPC meetings: Chair needs to be advertised. Invite people to become members.

Worship: Angelus Bell possibly be reinstated. Not too intrusive and reminds shoppers. Liturgy is run by Sister Norbed and Sue Kennedy. More volunteers required. Father to introduce different prayers during Mass i.e. Guardian Angel, Regina Caeli, Salve Regina (only as appropriate). Sanctuary candle is always lit.

Altar servers – Open to all. Girl's are encouraged to be Our Lady's Helpers/Offertory bells/Hymn books/open doors.

Building: Decoration is required but needs permission and to be approved.

Next meeting: Wednesday 6<sup>th</sup> September 2017 at 6:30pm.
